## SNEEZE GUARDS

Create a polished buffet line while protecting your food from airborne contaminants. Acting as a shield, perfect for keeping stray food particles, dust, and germs off of foods at hotels, buffets, restaurants and catered events. The plastic guards provide excellent, crystal-clear product visibility. Arrange multiple sneeze guard stations (sold separately) alongside one another to fill a table's length and offer a stylish buffet line for serving guests. When not in use, the sneeze guard is easy to wipe down and clean with spray and a wet paper towel or cloth. "Ready to use" no assembly required.

### Premium Range

- Manufactured in PMMA
- Transparent for optimum visibility of the products while maintaining a premium look
- Food contact certified

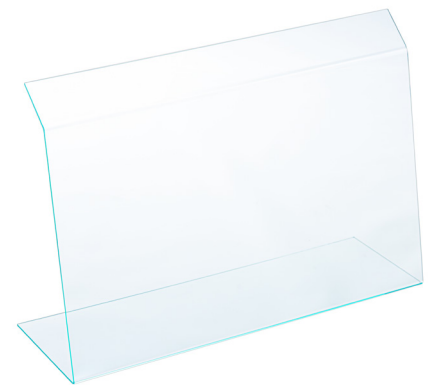

Item Code	Description (Length x Height x Depth cm)	Thickness (mm)	Units / Box

## PASTRY PRESENTATION

The acrylic bakery display case is a great way to showcase donuts and other baked goods. The open back makes loading the countertop showcase simple. It is ideal for use by commercial pastry retailers and small shop owners as well as diners, hotels, supermarkets, cafes that sell baked goods etc. From donuts to bagels, pastries to artisan breads, these clear countertop bins showcase sweets and doughy treats at their best.

### Bakery Display Case with 3 Trays and Open Back

- Manufactured in PMMA
- Each commercial pastry display case includes 3 trays
- Open back for quick and easy access both for serving and refill
- Transparent for optimum visibility of the products while maintaining a premium look
- Food contact certified

Item Code	Description (Length x Height x Depth cm)	Thickness (mm)	Units / Box
AL60415	L 42 x D 35 x H 48 cm	3 & 4 & 5 mm	1
AL60416	L 27 x D 50 x H 52 cm	3 & 4 & 5 mm	1

## MULTIPLE COMPARTMENT BOXES

This display is an attractive way to present food items and matches almost any environment. The bin is specially designed to fit any countertop as well as our range of furniture bases and can be stacked on top of each other. The size of the unit efficiently stores and displays a variety of food items and other types of products. The bin comes in 2 options with or without lid. The closed option bin features a hinged lid that lifts open to protect the contents from getting stale. Although intended as a food display, many retail store and convenience stores use them to showcase their items in restaurants, delis, bakeries and retail stores. We sell each bin individually or in kit format with the furniture in different color options.

## WRITE-ON MENU LABELS

Easily draw attention to your buffet line or self-serve beverage station with our range of tabletop chalkboard signs. Designed for use with chalk markers, these signs allow you to clearly identify everything on your table. A bold black background provides contrast to white or brightly colored writing so the label is easy to read, even from a distance! When you're done, it can easily be cleaned with a wet cloth so that you're ready to use it again and again. Perfect for restaurants, weddings, and catered events, this freestanding write-on chalkboard will resist bending or scratching during setup and cleanup. Use it to label buffet dishes, decadent dessert displays, drink stations, or even use it to number individual tables. "Ready to use" no assembly required.

### L-Shaped Write-on Menu

## MENU HOLDERS WITH WOODEN BASE

Our range of menu holders with wooden base is the perfect way to showcase your daily specials and wine or drink menus with ease. The line is conceived to show off your table menus or any other important messages in an easy attractive way. The durable clear acrylic part easily holds menus, wine lists, or drink menus so you can see your insert from either side. This sleek poster holder offers an attractive and an easy-to-clean real wood base. This table tent's design makes it ideal for areas where space is limited. It's great for contemporary restaurants and bars as it easily displays menus and specials at your tabletops or bars without taking up a lot of space. Our range of sizes allows you to place different paper formats straight from your printer into the display easel without the hassle of laminating.

### Menu Stand Poster Holder Wooden Base - Premium Range

- Manufactured in PMMA and real wood.
- Diamond polished edges
- Versatile portrait single or dual sided addition to your visual display
- Quick and easy to install and replace posters on your counter or shelf
